

**DOUG BAILEY
CITY OF CYPRESS
MEMBER OF THE CITY COUNCIL**

Through my work with our youth, I've really come to value the effort that goes into building a sense of community. As your councilman, I'll expand this appreciation of community to fully realize what can be accomplished when we all work together. While building consensus, I'll apply my financial planning experience to ensure sound city investments.

I want to provide needed staff and resources to our police, promote a youth center, community gym and refurbish parks, extend community partnerships to schools and businesses, build affordable senior housing, and encourage sustainable growth protecting neighborhoods and open spaces.

My record of community service tells you who I am: manager, coach, League Rep and President, Cypress Federal Little League; coach and Certified Referee, AYSO Soccer; League Rep and Treasurer, Friends of Cypress Recreation and Parks; founder, Challenger Baseball for Special-Needs Kids; Past President, Cypress Rotary; President, Boys and Girls Club of Cypress; founder, RBI Baseball Program for At-Risk Youth (with Major League Baseball); debate founder and coach, Cypress High School; and recipient, three Honorary Service Awards from PTA.

Fourteen year Cypress Resident, Married with three children. All of whom attended or are currently attending Cypress Schools.
