

**PRAKASH NARAIN
CITY OF CYPRESS
MEMBER OF CITY COUNCIL**

Dr. Prakash Narain
Age: 52
Occupation: Physician

I have balanced the needs of my medical practice with my deep interest in community service.

While practicing Internal Medicine and Geriatrics, I have held a leadership position as Chief of Staff at a local hospital. I have also been a member of the Cypress Senior Commission for 8 years, and its Chairman for the last 3 years. In addition, I have been a member of the Advisory Committee for Acacia Adult Day Care, in Cypress.

I am dedicated to community service and I believe in giving back to the community.

Cypress is a great city. My wife and I have lived here for the last 19 years and raised our two children here.

As a Council member, I will support programs for our youth and our seniors. I will support our Police and Fire Departments to keep our City safe. I will encourage a positive relationship between the City and the business community.

I am a fair-minded individual with a strong regard for integrity, work ethics, and family values. I will strive to keep moving Cypress forward while also preserving our quality of life.

Please elect: Dr. Prakash Narain for Cypress City Council.
