

**DEL DAVIS
CITY OF CYPRESS
MEMBER OF THE COUNCIL**

56

Retired Military

I moved to Cypress in October 1994, while on active duty in the military. Upon my retirement I chose to stay in Cypress because I found it to be a safe, family oriented place to live.

I feel that my years of experience around the world in the military and most recently working for a local municipal government have fully prepared me for the challenges of being a City Councilmember. Because of this experience I can start to work immediately on issues that are of concern to the citizens of Cypress instead of having to learn how City government works.

If I am elected to the City Council I will work to find ways to make Cypress an even better place to live and/or work. I will work to create new programs that improve public safety, promote a positive environment for the young and seasoned citizens of our community, conserve our precious resources, and develop a business friendly atmosphere of mutual respect.

Cypress is a great place to live and work. A vote for me would allow me to utilize my experience and talents to benefit this wonderful community. I am standing by to serve.
