

**LISA ANN BARTLETT
CITY OF DANA POINT
MEMBER OF THE CITY COUNCIL**

Age: 46

Occupation: Businesswoman

Like you, I love Dana Point and have a vested interest in our future. Our city is at a crossroads with large scale projects soon to begin that will have a long-term impact on our lives. It is crucial to have elected officials that can negotiate for you, understand the impacts, processes, and balance business requirements with resident's needs and desires to retain our small town atmosphere. Clean beaches, traffic solutions and sound business practices will ensure that we "Harbor the Good Life" for many years.

I am a Planning Commission alternate and regularly attend Council meetings. Involved in our community, I hold Board positions in the Ocean Institute's Sand Dollar Guild, Capistrano Valley Symphony and the CBCA. I am a member of the Children's Hospital Queen of Hearts Guild, Dana Point Historical Society and Lighthouse Society.

My husband, Michael, and I have lived in Capistrano Beach for 17 years. I am a partner in a real estate and investment firm. I hold a B.A. degree in Finance, an MBA, a certification in Project Management and broker's license. I was previously an executive with a computer software firm.

I would be honored to serve you and I respectfully ask for your vote.
