

**RALPH G. BAKER JR.
CITY OF FULLERTON
MEMBER OF THE CITY COUNCIL**

I am a resident of Fullerton. I am a member of the Fullerton Chamber of Commerce and a graduate of CSUF. I want to save the Fox Theater, save the coyote hills, and I support the Fullerton Police Officers Association.

I see no need for a new jail. At \$7 million the price is far beyond our means. I am against the new jail and the tax increase that would go with it.

If elected I would have the honor of selecting your new Police Chief in 2007. I have always given the police full support. I think of hiring police officers as a good long term investment.

For about a year the city council has been turning away organizations empty handed. Is our city government broke? I want to restore our image as a city government that can do things for people again.

A vote for Baker is a vote for new leadership. I will give you a new city council with a new Police Chief and no new taxes. I want a new city council that can do things for you again. E-mail ralphglyn@yahoo.com, Call (714)879-1318.
