

**LELAND WILSON  
CITY OF FULLERTON  
MEMBER OF THE CITY COUNCIL**

Fullerton is a terrific place, and it's been a privilege serving as your Councilman for the past four years.

I've worked hard to make our community a better place by helping save the historic Fox Theater, adding police officers and putting more paramedics on our streets.

Fullerton's quality of life is important to me. That's why I've fought to hold developers accountable and continue to enforce common sense housing and zoning ordinances.

I'm proud to be endorsed by Congressman Ed Royce, Senator Dick Ackerman and Supervisor Chris Norby, Fullerton Police Officers Association, teachers and small business owners.

On the Council, I will continue fighting to preserve our quality of life by controlling growth and housing density, relieving traffic congestion, working to stop illegal immigration, helping our police and firefighters, stopping eminent domain abuse and making sure our budget is balanced without raising taxes.

Our city's financial health and outlook is strong because we've made great progress in the past four years. I would be honored to have your vote so we can continue making Fullerton a better place for our families.
