

**VIVIAN "KITTY" JARAMILLO
CITY OF FULLERTON
MEMBER OF THE CITY COUNCIL**

I am a candidate who'll work for you. I was born in Fullerton and raised my family here. I'm a former City of Fullerton employee with seven years as a Community Services Officer with Fullerton Police and ten years with Development Services. I currently work for the City of Santa Ana Community Preservation. I'll use my experience in public service to represent all citizens of Fullerton-north to south. I've learned so much as an employee and a volunteer for numerous groups. I've served four years with Fullerton's Community Development Citizen's Committee and Co-Chair the Maple Alumni Committee since 1997. I've volunteered for a total of 15 years with the Fullerton HS Booster Club and Fullerton Rangers.

If elected, I'll work to enhance public safety services in police, fire and paramedics, and expand downtown parking keeping customers and business dollars in Fullerton. I'll fight to keep West Coyote Hills as open space and revitalize shopping centers outside of Downtown Area.

I've been married 33 years to my husband Jimmie. My son, Antonio is 30 and daughter Sunnie is 26 and our Pomeranian's 16 years.

I would truly appreciate your vote on November 7th.
