

**JEN HALLSTROM
CITY OF FULLERTON
MEMBER OF THE CITY COUNCIL**

As a devoted resident, mother of three and Fullerton businesswoman, I am committed to preserving and enhancing our city. I understand this may not be an easy task, but as a representative of Fullerton, I embrace the challenges of our growing city.

I support good schools for our children, safe streets, parks and neighborhoods for all residents and significant architectural design standards for all future development. I will never support any attempt by the city to take citizen property by eminent domain. I support the preservation of the Coyote Hills only through the development of a small number of estate lots.

Our city government must always be active in the programs and policies of our schools. Neighborhood schools are the shining light on the hill to inspire children. The city and school districts must coordinate efforts to provide optimal learning and recreational experiences.

I stand ready to be your voice at City Hall.
