

**AN LE
CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

I will fight to promote high educational standards, strong support programs for our children and senior citizens and public safety.

Our residential neighborhoods are our greatest strength. The people of Garden Grove care deeply about the City. We have many events, such as the Strawberry Festival, that form the historical heritage of Orange County. I will work hard to preserve the quality of life in our community and pride in our citizens. Our residents must come first!

I am committed to support smart and responsible business development, while striving to maintain the vibrant character of our residential communities.

As a taxpayer, I understand the burden of high living cost so I pledge to fight to keep water rates and trash fees low.

With your help and vote, together we will strengthen our community, create a strong economic and financial future for the City, and continue to make Garden Grove one of the best places to live, work and play.

As your councilmember, I will serve with integrity and accountability to earn and retain your trust everyday. I will support an "open door" policy for all residents to share their concerns and ideas.
