

**JOE SHAW  
MEMBER OF THE CITY COUNCIL  
CITY OF HUNTINGTON BEACH**

As a Huntington Beach resident and business owner, I see a need for common sense, business savvy and an entrepreneurial spirit at City Hall. We need City Council members who will treat residents as valued customers and who will remove obstacles to success, not create them.

Our beaches, parks and city streets require greater attention, so that Huntington Beach residents and visitors have a safe, clean environment to live, work and play. We can do more to stop the harmful runoff flowing into our ocean. Our open spaces and parkland are our legacy to future generations.

As we make decisions that shape future development, neighborhoods must participate fully and openly in decisions.

I believe our city needs leadership with greater vision. In this era of global competition, we must maintain our quality of life, work creatively with our local schools, and foster business opportunities. We can be a world class city and maintain our small town values.

Each of us can make a difference. Together, let's build a better Huntington Beach. It's time for a change at City Hall. On Election Day, 11/07/06, add another advocate of common sense to the City Council. Vote for Joe Shaw. [www.joeshawforHB.com](http://www.joeshawforHB.com)
