

**JOE CARCHIO
CITY OF HUNTINGTON BEACH
MEMBER OF THE CITY COUNCIL**

Dear Neighbors:

I'm Joe Carchio, candidate for the Huntington Beach City Council. I'm a taxpayer like you and it's time we were heard!

I own Jersey Joe's Italian Restaurant, Downtown Huntington Beach. I know business, what it takes to get things done and pay the bills.

Our city needs leadership. Public Safety cannot be taken for granted. We're safe and need to remain safe. Local economy drives the city budget. My local family business pays property, sales, self-employment, payroll, workers compensation taxes and many user fees. I employ lots of people. I'm a parent, husband, and business owner. Also, I've been:

Member, U.S. Army
Baseball Coach, Ocean View High School and
Football Coach, Ocean View High School, ten plus years
Past Owner, Shirt manufacturing company
Community volunteer

I'm ready to give back to the community that provided a living for me and my family. I'm asking for one of your four precious votes. I will not let you down. I am aware of our environment and will work to protect and preserve what we have left as I help lead us into economic stability.

Thank you for considering Joe Carchio for Huntington Beach City Council.

Sincerely,

Joe Carchio
