

**JOHN DUONG  
CITY OF IRVINE  
MAYOR**

Dear Neighbors:

Irvine needs strong, new, visionary leadership. As your Mayor, I will protect our high quality of life, ensure open and honest government, and promote a business friendly environment that benefits us all.

I bring to this position strong government experience, both as a former Presidential appointee and a member of a California Governor's administration. I am currently Executive Vice President for a property management and investment firm, and hold a Masters degree in Business Administration from the University of California at Irvine.

My community involvement includes serving on the Board of Directors of the Orange County Chapter of the American Red Cross and a national non-profit center on aging. I am currently a City of Irvine Finance Commissioner.

In the years ahead, the Irvine landscape will change dramatically as the Great Park unfolds and planned development takes shape. I will ensure this growth is managed to improve traffic flow, to guard against increased taxes and fees, and to provide improved services for our young families and seniors.

By working together, we can make Irvine an even better place to call home. I respectfully ask for your vote.
