

**JAMES "JIM" GOMEZ
CITY OF LA HABRA
MEMBER OF THE CITY COUNCIL**

I am a lifelong resident of La Habra who has worked diligently serving our community as councilmember. I continue to be committed to fostering a high quality of life for all through our fiscally responsible form of government. As a member of the council I have been a leader always ready to take on the difficult issues on behalf of the residents of La Habra.

Over the past four years, we saw Costco come to our community, new softball fields at La Bonita Park, new programs for our youths and seniors, millions of dollars in street improvements, enhanced fire services, and town hall meetings. All of this while managing to cut taxes!

I remain dedicated to improving La Habra's infrastructure. The repair of streets and alleys will be a priority. I will continue to ensure the police and fire departments are equipped to provide the best possible services.

Currently, I serve as Mayor Pro-Tem. I also serve on the Board for the Old Settler's Historical Society and the Orange County Vector Control Board.

I respectfully ask for your vote to re-elect James Gomez for La Habra City Council. Please contact me anytime at my home at (714) 738-5926, or visit www.jamesgomez2006.com. Together we are making a difference in our community.
