CITY OF LAKE FOREST  
MEMBER OF THE CITY COUNCIL**

Age: 51

Occupation: Lake Forest Council Member/Business Owner

Lake Forest is a great community. My wife, Marta, and I feel fortunate to have lived in Lake Forest for almost 25 years and have raised our children, Lauren and Scott, here. That is why it has been a privilege to serve the people of Lake Forest as Mayor and Council Member.

I have a strong record of protecting and enhancing our quality of life by working to relieve traffic congestion, build new parks such as the Etnies Skatepark, and expand recreational programs for all segments of the community. I have played a key role in the Opportunities Study, the Arbor on El Toro revitalization project and the improvements to El Toro Road.

Yet, I believe there is more we can do. I will continue to lead the fight against a maximum security jail facility at Musick and push the County to complete Alton and Portola Parkways. I look forward to working on developing a new Community Center and a needed Sports Park, among other efforts to further improve our lives.

Lake Forest is a great city to live, work and play. Together, we can continue to move forward. I would be honored to receive your vote.
