

**JILL REICHLÉ
CITY OF LAKE FOREST
MEMBER OF THE CITY COUNCIL**

Age: 44

Background:

Born and raised in Southern California.

Graduate of USC (BS Chemistry) and Northwestern University (MS Civil Engineering).

Engineer for U.S. Navy (6 years) and environmental consulting firm (10 years).

Elected to School Site Council at Serrano Intermediate School, 2003-2004 school year.

Daughter of retired Air Force pilot and public school teacher.

Married 18 years; full-time mom to two boys in SVUSD schools.

Family active in swimming, baseball, basketball, and cycling.

I am running for city council in order to make our city one we can be proud of. I will work for developing our city in a way that enhances, not detracts, from our existing neighborhoods. I will seek to involve the various Lake Forest neighborhoods in city decision-making by holding community forums on issues such as traffic, parks, and code-enforcement. I will support the schools and proposed community sports park. Fiscal responsibility will be a priority.

Finally, I believe that with my education, professional experience, and experience as an active community leader and parent I can benefit the city and make responsible decisions on the issues affecting all of us.
