

**TIMOTHY J. KUBIK  
CITY OF LAKE FOREST  
MEMBER OF THE CITY COUNCIL**

Age: 52

My name is Timothy J. Kubik. I have lived in the City of Lake Forest for 19 years and with your support and confidence, I would like to be a member of the City Council. Through the application of my skills and the dedication of my efforts, I plan to produce positive results for the City of Lake Forest.

My professional background is in program and budget management relating to the field of design, development and production. I am a graduate of the Lake Forest Citizen's Leadership Academy.

Past experience includes working for a private company representing the U.S. Department of State in the implementation of the Intermediate Nuclear Forces (INF) Treaty in the former Soviet Union, in management capacities both overseas and in the United States.

I am a graduate of UCI and hold a Bachelor of Science Degree. My wife of 30 years, Lydiette, is a high school Spanish teacher and is bilingual. We have three children; Stephen, 25, graduate, Master of Aeronautical Engineering; David, 24, Police Academy student and Mary Ellen, 19, psychology major.

Having raised my family with schools and church in this beautiful city, I ask for your vote.
