

**NOEL LEW
CITY OF LA PALMA
MEMBER OF THE CITY COUNCIL**

Sales Representative

As a 29 year resident and community volunteer, I have established my dedication to La Palma by serving as a member on the Neighborhood Watch and on Community Activities Beautification Committee for over 10 years. I served as Chairperson of Community Activities, President of JFK Cheer Boosters and as a board member of Lupus International for 15 years. I received the PTSA Commitment to Excellence Award and the National Sales Representative of the Year Award.

My 27 year career at General Mills demonstrates my work ethic and ability to organize and communicate effectively. I am a consensus builder, team player and active listener.

La Palma is a place where, "The People are the City." I believe in doing what is right:

Maintaining public safety through strong Police and Fire departments;
Supporting conservative fiscal management;
Maintaining the city's economic vitality by promoting a positive business climate;
Protecting our property values;
Cultivating cultural diversity.

I have received endorsements from former Mayors: Alta Duke, and Paul Walker and former Mayor of Villa Park, Bill MacAloney.

I represent a new vision of leadership and commitment to the future of our City. It would be an honor and privilege to serve as your City Councilmember.
