

**DEAN GROSE
CITY OF LOS ALAMITOS
MEMBER OF CITY COUNCIL**

Occupation: Small Business Owner

I respectfully request your vote to represent you on our City Council. As a resident and business owner since 1988, I've been actively involved in our community. I am a former Traffic Commissioner; a Boardmember of the Youth Center; supporter of Precious Life Shelter; President-elect of the Los Alamitos Rotary; a Boardmember of the Chamber of Commerce and Chair the Military Affairs Committee.

During the last 24 months, we have seen significant turnover in management positions within our City government and uncontrolled spending by a majority of our Council, which must be moderated.

With your support, I'll work to restore orderly change and improvements, enhance the level of honest communication with you, and seek revenue sources for the challenges of our future. As a businessman for 25 years, I have the financial, operational, and leadership skills and experience required to get the job done.

My wife Wendy and I have been married 9 years. She is a Nurse Practitioner for the Cypress Family Medical Center.

I will listen to and work on behalf of our residents and business partners to enhance the quality of life in Los Alamitos. Thank You.

I ask for your vote. www.Grose-For-LosAlamitos.com
