

**BILL BARKER
CITY OF MISSION VIEJO
MEMBER OF THE CITY COUNCIL**

Occupation: City Commissioner/2005 Chairperson/Engineer Project Manager

We deserve a Council without political infighting made up of members that exhibit problem ownership and make public will decisions.

Demands of Population, Traffic and Technology layered within Regulations, Litigations and Costs require decision making leadership skills. I am such a person.

Bill is a Fortune 100 Corporation Engineer Project Manager bringing leadership experience in analyzing work scope, making prudent financial decisions, strategic planning and policy decisions.

A 36 year city resident serving his 4th year as a City of Mission Viejo Commissioner/Chairperson providing oversight improving parks, recreation centers, holding public hearings, distributing council approved charitable community service funds.

Editor of City of Mission Viejo volunteer prepared "Community Services Plan" saving city \$50,000.

Bill's Agenda

Solutions for congested streets by establishing a separate proactive Traffic Commission

No new taxes, conservative fiscal policies.

Subsidized age 75 senior citizen transportation, age 65 if driving abilities are lost.

Providing adequate resources for proper Sheriff, Fire Authority response times.

Improving city maintenance plans.

Affordable funded staff health and retirement plans.

Stop eminent domain taking private lands for non public usage.

No commercial to residential zone changes to meet low cost housing needs.

Veteran U.S.N.
