

**NEIL LONSINGER
CITY OF MISSION VIEJO
MEMBER OF THE CITY COUNCIL**

Occupation: Commission Chairman – City of Mission Viejo Planning & Transportation

No urbanization in Mission Viejo! Developers and proponents of 'new urbanization' threaten higher population density, impaired schools, higher rise buildings, larger commercial signage, diminished landscaping and streets, and heavier traffic flows.

We need experienced leadership with 'people skills'! Neil fights urbanization as Chairman of Mission Viejo's Planning Commission. His Commission is known for openness, civility, intelligent collaboration, and progress on issues like city beautification, housing density limits, traffic synchronization, telecommunications master planning, neighborhood preservation, and economic development. He's proved his independence ('backbone') standing up to special interests!

Neil demonstrates advocacy for Taxpayer Protection, Senior Center, and Youth Activities. His law involvement assures highest Community Safety. Neil enjoys promoting our planned community's 'Promise'!

About Neil:

Chairman - City of Mission Viejo Planning & Transportation Commission
Past President – Mission Viejo Environmental Association
Youth Sports – Coach, Manager, Director
Successful Business Owner
Successful Corporate Manager
U.S. Air Force – Air Police Guard Commander
Charter Gold Member (1986) – California Highway Patrol 11-99
Foundation
Charities (partial): Relay for Life, YMCA, Chalk Festival, United Cancer,
Hope Heart Institute

Testimonial:

"Mr. Lonsinger acts prudently with a great deal of integrity and he acts efficiently with an organized game plan." (Peggy Webb, V.P., MVEA).
