

**JUSTIN MCCUSKER  
CITY OF MISSION VIEJO  
MEMBER OF THE CITY COUNCIL**

It is time to take a stand for Mission Viejo. Our current city council has sat on their hands while the City's image has been tarnished regionally. I am the only candidate with the experience to make a difference. Whether it is my experience negotiating with the Governor's Office, testifying before the California Assembly, preserving precious Federal tax dollars for our community, stopping an airport at El Toro, or working against local tax increases; I will bring my experience to bear for Mission Viejo.

**Priorities:**

Relieve Traffic Gridlock by setting aside money every year for road construction and signal synchronization.  
Reign in outrageous homeowner power rates.  
Adopt Sheriff's plan to fight illegal immigration, providing our officers Immigration and Customs Enforcement training.  
Preserve Mission Viejo's quality of life by supporting the under-grounding of Edison's power lines.

**Endorsements:**

State Senator Bill Morrow  
Mission Viejo Mayor Pro Tem Frank Ury

**Education:**

MPA, (Urban Management/Planning) CSUF  
B.A. Public Administration/Political Science, Western Michigan University  
Certification - Federal Emergency Management Agency's (FEMA)  
Emergency Management Institute.

**Community Involvement:**

Mission Viejo Christian Church  
Mission Viejo YMCA
