

**MARCIA DOSSEY
CITY OF NEWPORT BEACH
MEMBER OF THE CITY COUNCIL, DISTRICT 1**

Since 1989, Newport Beach has been home to me, my children, my business, friends and clients. Since arriving, I took an interest in bettering my community through my roles in various organizations, working relationships with city staff and have continued addressing improvements to our city and wish to take a more active role.

Being born and raised in Southern California afforded me the opportunity to see growth and changes over the years and a desire to help in decisions made by our community members that shape the lives of our citizens now and for the future.

I am running for Newport Beach City Council because I believe continued improvements to our city will not only enhance the lives of our citizens but will generate continuing revenues from improved, healthy neighborhoods and facilities.

In 2002 I restructured my business and have since seen annual growth. I have successfully met deadlines on multiple projects with time constraints under challenging conditions and encourage thinking outside the box to find solutions.

As a member of The Sophisticates, I support ATSC. The lives of many children and their families have been bettered through early detection and resolution of problems.
