

**KEITH D. CURRY
CITY OF NEWPORT BEACH
MEMBER OF THE CITY COUNCIL, DISTRICT 7
SHORT TERM**

When his predecessor resigned, Keith Curry answered the call to serve our City. A former transportation official in the administration of President Ronald Reagan, and for 19 years a nationally recognized financial advisor to state and local governments, Keith brought new ideas and energy to the City Council.

He went to the White House to seek additional funding for bay dredging, authored the charter amendment to prohibit eminent domain abuse in Newport Beach and sponsored a monument recognizing the heroic Marines of the 1/1 and their relationship to our City.

He is working to create a new Oasis Senior Center, capable of meeting the needs of the next generation of seniors. He helped develop a 15-year plan that addresses all of our fire station, police, library and park needs with no new taxes. Keith is focused on finding new funding for bay and beach water quality improvements and he fought to protect our parks and reduce traffic.

Keith is endorsed by Marian Bergeson, John Moorlach, John Campbell, Chuck DeVore, Jim Silva, Tom McClintock, George Deukmejian, former Mayors Evelyn Hart, Clarence Turner, Jan Debay, Tom Edwards, Dennis O'Neil, and the Newport Beach Firefighters Association. Elect Keith Curry.
