

**CAROLYN V. CAVECCHÉ  
CITY OF ORANGE  
MAYOR**

I am honored to serve as your Mayor pro tem. Together we have worked hard to maintain our strong police and fire departments, and to keep our neighborhoods and families as top priorities. We have two new sport parks on the way, are rebuilding our main library, and have added new open space. Road maintenance has become a priority and we've created a traffic management center to reduce congestion. All without increasing taxes.

I am now seeking your support for Mayor. We must protect the integrity of our neighborhoods and reduce traffic congestion. I will increase efforts to fight graffiti, address overcrowding, and budget for more police officers on our streets. As an O.U.S.D. parent, I've a personal stake in working to strengthen our schools and increase joint use opportunities.

I understand that I am responsible to you, the taxpayer. I am committed to safeguarding your tax dollars with strict financial policies and increased fiscal oversight.

I'm pleased to have the endorsements of Senator Dick Ackerman, Assemblymembers Todd Spitzer, Bob Huff, and Lynn Daucher, Supervisors Bill Campbell and Chris Norby, Orange Councilmembers Jon Dumitru and Tita Smith, and the Orange Police and Firefighters Associations.

I ask for your support.
