

**MIKE ALVAREZ  
CITY OF ORANGE  
MAYOR**

A Lifelong Orange resident, I proudly served our City as a Councilman for eight years and as Mayor Pro Tem.

The effects of illegal immigration, widespread congregating by day laborers, increases in unlawful boarding houses, overcrowding in schools, severe traffic congestion threaten to erode our city. We must control these problems, before they control us.

My family and I represent three generations in Orange; founded the Orange Army-Navy Store in 1955. I served on: Planning Commission, Chamber of Commerce, Friends of the Library, the Orange Senior Center. I'm active in church, charities and youth sports.

As your Mayor I will continue to demonstrate strong leadership to enforce City laws and protect Orange's unique character and quality of life.

A fiscal conservative, I'll strengthen public safety; fight for no new taxes and strict taxpayer accountability.

Orange Police and Firefighters, Congressman Ed Royce, Assemblyman Todd Spitzer, State Senator Dick Ackerman, Supervisor Bill Campbell honored and awarded my "outstanding" community leadership.

I'll work hard for you, and fight for Orange.

I'll provide a clear vision and a higher standard of leadership committed to solving our most pressing problems. Working together we can secure a positive future for the City of Orange. [www.AlvarezForMayor.com](http://www.AlvarezForMayor.com)
