

**FRANCIS G. (FRANK) FINN  
CITY OF ORANGE  
MEMBER OF THE CITY COUNCIL**

I am a firm believer that government exists for the sole purpose of serving the community. It should not be overly intrusive in the daily lives and activities of the people it exists to serve. Too many politicians forget this and promote their own agenda, disregarding the needs and desires of their constituents. I will be an advocate for Public Safety and City employees because I know that a loyal, fairly compensated and well qualified workforce provides a superior work product and the citizens of this City deserve that.

I am a 24 year veteran peace officer and resident of Orange since 1981. I have a Bachelor of Science in Public Administration from the University of Laverne and a Bachelor of Arts in Criminal Justice from Chapman University. I have completed classes for a Master of Science in Emergency Services Administration and will have finished the comprehensive exams for the degree by the time of this election. I served in the USMC from 1976 to 1980 and received an Honorable Discharge.

I was a three term Co-Chair of the Orange County Child Passenger Safety Task Force and served as Treasurer for the Orange County Traffic Officers' Association for 4 years.
