

**DENIS BILODEAU  
CITY OF ORANGE  
MEMBER OF THE CITY COUNCIL**

As your Orange Planning Commissioner, I have worked with our public safety and planning officials to protect our quality of life by preserving our neighborhoods and the unique character of Orange. I've used my skills as a Traffic Engineer to address traffic congestion and growth so we can meet the challenges of tomorrow.

I'll work to increase police protection, provide more parks and open space, and enhance programs for seniors and youth.

I am a fiscal conservative and will fight any tax increase, encourage economic growth and keep our property values high. And, as an O.U.S.D. parent, I'll work to provide opportunities for our youth in partnership with the school district.

My wife Suzanne and I have three young children and chose Orange to raise and educate our family because of its unique character and quality schools.

My commitment to Orange has earned the endorsements of our Mayor Mark Murphy, Senator Dick Ackerman, Assemblymembers Todd Spitzer and Bob Huff, Supervisors Bill Campbell and Chris Norby, County Treasurer John Moorlach and Councilman Jon Dumitru. I am also honored to have the endorsement of former Councilman Steve Ambriz's wife, Bridget.

I'd be honored to earn your vote.
