

**MARK A. MURPHY
CITY OF ORANGE
MEMBER OF THE CITY COUNCIL**

Orange Mayor/Businessman

I appreciate the opportunity to have served as your Mayor for the past six years. As your representative, I have fought vigorously to maintain our strong police and fire departments and to increase fiscal responsibility. I have kept my pledge to fight taxes while the city has opened Grijalva Park, added and revitalized several additional parks, and completed the major expansion of our Main Library.

I ask for your support to continue serving on the City Council. With your support, I will continue my fight to provide a safe and secure community. Our community efforts for more open space and parks will continue, as well as pursuing additional joint use programs with the School District.

I remain committed that our city will accommodate only responsible growth. We must reduce traffic congestion, maintain the quality of our environment and preserve the history of our City. With your help, we will keep Orange among the best communities in which to live, work and raise a family.

I am pleased to have received the endorsements of U.S. Representative Ed Royce, The Howard Jarvis Taxpayers Association and the Orange Police and FireFighters Associations.

I would be honored to have your support.
