

**JOE AGUIRRE  
CITY OF PLACENTIA  
MEMBER OF THE CITY COUNCIL**

I ask for your vote to provide effective leadership to address Placentia's issues. For years, favored projects were put ahead of the community's needs, money was diverted from vital services and the public's concerns were ignored.

We need a recovery plan that restores city programs, gets public works projects moving and improves our parks. I want to encourage new business development, silence the train whistles by completing the quiet zone, and work towards alleviating traffic delays at rail crossings. Let's expand the Backs Building into a senior/community center, fund programs to fight crime, and insist upon responsible spending and reduction of debt. I believe in an open government and led the fight against eminent domain power over homes and businesses.

My dedication spans 34 years: Founding member of Citizens For A Better Placentia; Placentia News-Times columnist; Veterans Advisory Committee; Santa Fe Area Revitalization Advisory Committee; Neighborhood Watch Block Captain; 1987 Neighborhood Watch Citizen of the Year; Redevelopment Advisory Committees; and sports coach at St. Joseph School and Placentia Parks & Recreation.

I seek your support and vote to restore integrity in our city's government.

The Placentia Police Officers' Association endorses Joe Aguirre.
