

**JOHN G. HOEVERS
CITY OF PLACENTIA
MEMBER OF THE CITY COUNCIL**

The City of Placentia is at a crossroads. We must make a decision to move forward or retreat. I want to lead this City forward on a path of positive, responsible growth. With your vote, you will make a decision to help me move this city forward. It is time to make new opportunities from the lessons we have learned from our past and begin to enhance our community to the benefit of all. I support a responsible, viable redevelopment plan for this City which will help bring new business and stature to our City. I believe in positive growth and development without burdening the City's finances.

As a manager and small business owner, I believe I have the experience that will bring new ideas and leadership to overcome the pressing issues the City faces. As a councilmember, I pledge to keep the interests of the citizens first.

I ask for your support and your vote to keep Placentia moving forward into the future.

My campaign would like to hear from you. Please e-mail us at jhoevers@aol.com.
