

**NEIL CURTIS BLAIS
CITY OF RANCHO SANTA MARGARITA
MEMBER OF THE CITY COUNCIL**

It has been my honor to serve on the Council since the City's inception, including a term as Mayor. My priority has always been to ensure that RSM is both family-friendly and business-friendly.

Over the past six years, I've delivered on my promises. I've protected your tax dollars by maintaining a small city staff. I have been fiscally conservative as demonstrated by our \$7 million reserve. As a Councilman, I was proud to have guided the completion and dedication of our City Hall and Community Center. By adding more Sheriff's deputies, we have distinguished ourselves as one of the State's safest cities. I founded the Economic Development Committee to proactively support the business community.

Looking forward, I'll continue my philosophy of limited government, fair representation for all communities within our city, local control, strong families, and support business enterprise. This philosophy has led national magazines to recognize RSM as a great place to live and raise a family.

I'm endorsed by Congressman Miller, Senator Ackerman, Assemblyman Spitzer, and the entire City Council.

I'm a husband, father, and businessman and I care about RSM. Great communities don't just happen, they are made. I ask for your vote. Visit www.neilcblais.com.
