

**JIM THOR
CITY OF RANCHO SANTA MARGARITA
MEMBER OF THE CITY COUNCIL**

Occupation: Member, Rancho Santa Margarita City Council

Good City Government takes experienced leaders who are interested in cooperation, not confrontation.

I have a balanced prospective, developed by integral involvement in our community since 1986. I have been on your City Council since incorporation in 2000. In 6 1/2 years we have built a beautiful City Hall and Community Center, established a teen drop-in center and a senior lounge, built a skate park and a dog park, built the Banderas Bridge. As Mayor, I have made a concerted effort to reach out to community organizations and schools to establish partnerships that can benefit all citizens of Rancho Santa Margarita.

My vision for Rancho Santa Margarita includes: operation of a fiscally responsible local government, increasing the desirability for businesses and services thus improving our City's economic vitality and exploring ways to increase positive opportunities for our youth.

As Chairman of the Foothill/Eastern Transportation Corridor Agency, I will advocate for the completion of the Foothill South extension.

Good City Government is not an accident, but the result of foresight and hard work. With your vote, I will be able to stay focused on what is best for our citizens and our City will continue to benefit from my experience.
