

**JOE ANDERSON
CITY OF SAN CLEMENTE
MEMBER OF THE CITY COUNCIL**

It's been four years since I asked for your support in my campaign for City Council. Thanks to supporters like you, I was elected and have been working hard for San Clemente.

During the 2002 campaign, I pledged to:

Protect our heritage: Since 2002 we:

Stopped double tracking of the railroad.
Enhanced our heritage with continued improvements to Casa Romantica, construction of the beautiful Marine Monument and creation of several new parks and trails.

Plan for our future: Since elected I have:

Played an important role in the final approval of the Marblehead project.
Represented the council on the City's visioning committee which resulted in a real "vision" for the major commercial areas of town.
Helped with the design and approval of milestone projects including: a Coastal Trail, a new Golf Clubhouse, the La Pata/Vista Hermosa Community Park, the new Talega Fire Station and Senior Center.

Provide financial balance:

Although we continue to face challenges, our City is in excellent financial condition. Revenues are up, reserves have been established and fully funded and we have maintained an aggressive Capital Improvement Program for streets, parks, utilities and public safety facilities.

I would be honored to have your vote.
