

**LORI DONCHAK  
CITY OF SAN CLEMENTE  
MEMBER OF THE CITY COUNCIL**

Occupation: Business Executive, Educator. Age: 50

Like you, my family and I are proud to live in San Clemente. We share the privilege of voting to shape our community. I respectfully ask for your vote. It would be a vote for:

Proven Leadership. I am a Planning Commissioner. I am an active member of the North Beach Steering Committee and Coastal Advisory Committee. This experience will be valuable as we address the Toll Road, La Pata's extension, and Rancho Mission Viejo.

A Private-Sector approach to the City Budget. 25 years in business has trained me to insist on rigorous money management. This is critical now: San Clemente is approaching build-out, and one-time developer funds are ending.

Smart Growth. Our legacy to future generations depends on good solutions to traffic, inadequate parking, cleaner water and beaches. These are immediate priorities.

Active listening. As a Council member, I will follow an open door policy. I will listen to you. And represent you. I truly believe that an informed community is a strong community.

Thank you for your support,
