CITY OF SAN CLEMENTE
MEMBER OF THE CITY COUNCIL**

I'm a Financial Advisor with a master's degree in Economics. After serving nine years as a Naval Aviator I moved to San Clemente. I chose San Clemente because it is the perfect environment to raise a family. Now I am running for City Council because this city needs a strong voice. As a frequent visitor to The San Clemente Villas retirement home and the father of three children, I am positioned to understand the needs of all San Clemente's residents. We need leadership, passion and follow-through in order for this city to reach its potential.

As a witness to violent crime in San Clemente, I believe that more emphasis must be put on policing. We need to break up San Clemente's gang (yes - Gang!). All San Clemente residents deserve to feel safe.

I support the development planned for North Beach. We need to grow in a manner that respects the history and personality of San Clemente.

Save Trestles. The toll road as it is planned now is unacceptable. Our beaches are San Clemente's greatest assets. Let's clean them up and protect them.
