

**G. WAYNE EGGLESTON
CITY OF SAN CLEMENTE
MEMBER OF THE CITY COUNCIL**

We are blessed to live in this Spanish Village by the Sea, founded by Ole Hanson. We are a community that cares about the quality of maintaining our small town feeling. Yes, we are growing, but we still have a town with a sense of place and community.

It has been an honor and a privilege to serve as Mayor this last year and as your councilmember for the last eight years.

Some of the many civic projects that I have been directly involved with over the past few years have been the following:

Marine Monument, Park Semper Fi
Casa Romantica Cultural Center
Publisher of first local coffee-table book, The Heritage of San Clemente
"Around Town" television program, Producer

I was named Citizen of the Year 2005, by the Chamber of Commerce.

We must have infrastructure such as roads before additional development. Managing our growth and traffic management is essential. I am a strong supporter of maintaining the heritage of San Clemente and historic preservation. And I am a property rights advocate, introducing an Eminent Domain Ordinance preventing the city from taking private property for private financial gain.

I ask for your vote.
