

**SALLY JEISY
CITY OF SAN CLEMENTE
MEMBER OF THE CITY COUNCIL**

Dear Voter

I am a 57-year resident of San Clemente. I owned a business here for over 20 years, and served as President of the San Clemente Chamber of Commerce. San Clemente is a wonderful place to live and raise a family. Our city needs safe streets, clean beaches and community parks. This includes the completion of the La Pata/Vista Hermosa Community Park.

There is one troubling issue that we face - continuing traffic congestion on I-5. As a member of the San Clemente Transportation Corridor Agency Committee, I have been a strong advocate for the completion of the 241 Toll Road. As a member of the Council I will be in a much stronger position to get this done. Taking the congested traffic off the I-5 will add to quality of life. I will also fight to have Metrolink plan to expand train service.

With your help and support, I will lead San Clemente to make the "vision" become a reality. I would sincerely appreciate your support, and look forward to serving on the City Council with great enthusiasm. To find out more about my campaign, please visit my web site at www.sallyjeisy4council.com.
