

**WYATT HART  
CITY OF SAN JUAN CAPISTRANO  
MEMBER OF THE CITY COUNCIL**

Occupation: Councilman/Retired Sheriff's Captain

San Juan Capistrano's rich heritage runs through my veins.

I was first introduced to this community as a Deputy Sheriff 38 years ago. Patrolling our town, I kept a watchful eye on our community, connected with residents and helped keep our streets safe. It was an honor to serve and protect our citizens.

My wife, Sue, and I raised our sons, Todd and Ryan here. I've cheered on disabled kids on horseback at Shea Therapeutic Riding Center. I've worked the halls of Congress to get funding for our Boys and Girls Club and I've negotiated with our public and private schools to open fields and playgrounds for after school programs.

As your Councilman, solving our traffic problems remains my top priority. We must divert traffic out of town and implement traffic fixes in-town. I support the extensions of the 241 Toll road and La Pata Avenue to improve traffic flow and divert it away from our busy streets.

I will continue to work to create more Open Space, protect our creeks and water and preserve our unique historic heritage.

I am proud to be endorsed by Sheriff Corona, District Attorney Tony Rackauckas and Senator Morrow. Please contact me at [wyatthart@sbcglobal.net](mailto:wyatthart@sbcglobal.net).
