

**TOM HRIBAR  
CITY OF SAN JUAN CAPISTRANO  
MEMBER OF THE CITY COUNCIL**

I'm a candidate for San Juan Capistrano City Council because I believe our citizens want leadership that is more open and responsive. As a 31-year resident of San Juan Capistrano, I'm keenly aware of the needs of our community. My financial background (former banker), independence and desire to "give back" to our community will assist me in performing my duties. Married for 32 years, Rosa and I have two daughters: Michelle, recent law school graduate and Natalie, Dana Hills High School teacher. We've been fortunate.

**Priorities:**

Encouraging more open space; utilizing existing open space to greater benefit our citizens.

Strong commitment to public safety and youth programs.

Local voter approval on major general plan amendments as our residents are the ones affected by increased development and traffic.

Support term limits.

Personally financing the majority of my campaign; no developer contributions.

Organizations: San Juan Capistrano Rotary Club (past president), Board Member of Boys and Girls Clubs of Capistrano Valley, American Legion (former Captain, U.S. Marine Corps.), Fiesta Association, San Juan Capistrano Historical Society, San Juan Capistrano Chamber of Commerce (past board member), Mission Basilica Catholic Church, coached San Juan Capistrano Little League, Bobbie Sox and AYSO, current member of City of San Juan Capistrano Open Space Committee.

I respectfully ask for your vote.
