

**MIGUEL PULIDO
CITY OF SANTA ANA
MAYOR**

Occupation: Mayor/Businessman; Age: 50

I'm proud to be your mayor and to have led our city into becoming a model for the nation. Years of hard work and planning have reaped positive results:

Safety: Brilliant law enforcement strategies. Visionary prevention programs. Santa Ana now boasts among the lowest crime rates of any city our size in America.

Economic Development: I've helped attract unprecedented levels of investment into the city. Just look around. The downtown Renaissance. The Federal Courthouse. Museum district. Artist's Village. Mid-town Revival. Mainplace upgrade. Property values up citywide.

Schools: We're implementing creative solutions to improve education.

Streets/Parks: I've delivered \$300 million to improve streets and parks.

Human Need: I've helped secure millions in Empowerment funds to help our least advantaged.

We need to do more. We must take advantage of momentum. We have a detailed plan to continue reducing crime, invigorating our business districts, revitalizing our neighborhoods and focusing on areas of the city that need more attention.

I want you to be proud of the choice you've made to live in Santa Ana. I respectfully ask for your support and pledge to work hard to make our city even better.
