

**FORTINO "TINO" RIVERA
CITY OF SANTA ANA
MEMBER OF THE CITY COUNCIL, WARD 2**

As a lifelong resident, I am passionate about Santa Ana and its future. I want to see Santa Ana lead California through the 21st century and beyond on several critical issues including:

- Balancing new development with our historical and existing buildings
- Maximizing our open space
- Improving housing opportunities
- Solving traffic problems and infrastructure needs
- Enhancing education
- Empowering neighborhoods
- Maintaining a strong Police and Fire presence

I have the support of our Mayor and City Council, and with your help we can accomplish these goals, and help bring our city to new heights.

As a business owner, I understand the fiscal responsibilities of running a business and the importance of being an honest and fair boss. I am also aware that tough decisions will need to be made.

I am currently a Santa Ana City Commissioner and have served on numerous other boards for over two decades, including 12 years on the Parks and Recreation Commission.

My wife, Bertha and I have been married for 25 years and have raised three children, all of whom graduated from Santa Ana schools. I have the commitment and experienced leadership you can trust to make a real difference.

I would be honored to have your vote.
