

**ED ROYCE, SR.
CITY OF STANTON
MEMBER OF THE CITY COUNCIL**

I am asking for your vote to return me to the Stanton City Council.

It has been an honor and privilege to serve you and our community as a volunteer on the Public Safety Committee, as a Planning Commissioner and, most recently, as a member of the City Council.

As a Stanton resident since 1984, I am pleased with the progress our city has made in the last few years toward our city ideal, "Community Pride and Forward Vision". This progress is evident in improved housing, neighborhood appearance, better business climate, added parks, etc. I am proud to have been able to contribute to those accomplishments, which were made through the spirit, pride, and cooperation of our citizens.

I am a World War II veteran and former Director of Veterans Charities of Orange County, former manager in two successful manufacturing companies, and presently a Director of the Municipal Water District of Orange County.

As your Councilman, I will continue to keep an open-door policy and listen to you. My goal continues to be to protect taxpayers, keep Stanton fiscally sound, and make it a safe, prosperous and attractive community for our citizens.

Thank you for your consideration.
