

**BRIAN DONAHUE  
CITY OF STANTON  
MEMBER OF THE CITY COUNCIL**

For the past twelve years I have had the privilege of serving the residents of the City of Stanton as Councilmember and Mayor. During those years Stanton developed a forward-looking plan to make the city a safe and desirable place to live and work.

Today Stanton enjoys being one of Orange County's safest cities with low crime and high profile police and fire protection. We have made marked improvements to the aesthetics of the city with many street, park and building renovations.

I have worked hard and earnestly to make sure my vote was always for positive improvement and growth without placing additional financial burdens on our citizens. So far we have been successful and I wish to continue to be part of the dynamics of moving this city forward and to continue to serve the best interests of our residents.

Community Pride and Forward Vision is not only Stanton's motto, but also my commitment to work for our future.
