

**KEVIN CARR
CITY OF STANTON
MEMBER OF THE CITY COUNCIL**

Businessman, Internet Marketer

We need a council member that will work hard for Stanton, make the right decisions and fix what's broken in our city. I am the person that we need on the city council.

Crime continues to be a problem in Stanton. I will make sure that the Sheriffs Department reports the statistics correctly and work on crime reduction.

Businesses continue to close or move away from Stanton. I will work on the process of implementing a more business friendly environment to keep them here and bring more businesses to Stanton.

Stanton continues to have the second highest unemployment rate in the county and it's been this way for a long time. I will make the decisions necessary to reduce the penalties that burden our businesses and increase unemployment.

Vandalism and graffiti continues to be a problem. I will create a real plan to clean up and combat graffiti.

The utility tax continues to be an issue. I have opposed this tax for many years and I will begin the process of removing it.

Please support me so we can get Stanton moving forward.
