

**DAVID JOHN SHAWVER  
CITY OF STANTON  
MEMBER OF THE CITY COUNCIL**

Serving you as Mayor and Councilman for the past four years has been both an honor and privilege. With your help, we have made Stanton one of the best communities in Orange County. However, the job is not finished. We need to complete projects that will protect the future of our city.

My number one priority will always remain Police and Fire protection. The Orange County Sheriff and Fire Departments can count on my support for whatever they need to keep Stanton safe and our crime rates among the lowest in the county.

I will fight to keep Proposition 13 alive and well against all challenges and make sure there will be no new taxes in Stanton.

I will continue the renovation of our city parks and streets. Our Recreation Department will continue to serve our community and its seniors with special programs.

My family and I have been in the Stanton community for over 36 years. I have worked hard for you and Stanton. I ask for your continued support. Together we will always make Stanton a city of "Community Pride and Forward Vision".
