

**BRADLEY "BRAD" E. REESE
CITY OF VILLA PARK
MEMBER OF THE CITY COUNCIL**

I was born and raised in Orange County. My wife Lisa and I have been happily married for 26 years. We have three daughters, all having attended Villa Park schools.

I'm President of a 41 year old family business in Orange that manufactures printed circuit boards. I also hold a real estate license.

A passion of mine is to help the community. After two years of fire science classes at Santa Ana College, I took a job with the Orange County Fire Authority and completed their fire academy as a Volunteer Firefighter. This is my 25th year to serve, and hold the title of Captain. I am assigned to our Villa Park Station and love serving our city. I am also President of the Villa Park Volunteer Firefighters Association, and the Program Manager for C.E.R.T. (Community Emergency Response Team) for Villa Park.

I have been involved in many of our City's events over the years and look forward to many more. Public safety and quality of life are of high priority to me. If elected to the Villa Park City Council, I will work hard to uphold all that our city stands for.
