

**ALEX MIKKELSEN
CITY OF YORBA LINDA
MEMBER OF THE CITY COUNCIL**

My earliest Yorba Linda memories are growing up riding horses down rural residential trails.

I played Little League, made Eagle Scout, played Esperanza Football in Anaheim, not in a Yorba Linda High School politicians keep promising, yet never deliver.

I love horses and horsepower, learning the automotive business in a local independent garage. Age 23, I founded Alex's Auto/Fleet Service, serving the community 15 years in Old Town. Raced Top Fuel boats, was a Fuel Dragster Crew Chief.

Married, and drove my kids to Mabel Paine school.

In 1990's, ignoring constitutional private property rights, attorneys and self-serving politicians, gutted Old Town, taking land, destroying livelihoods. Unbelievably, they sued our school district!

2004 a defective storm drain flooded our children's school, while crime, traffic congestion, government costs and salaries headed upward.

I'm fed-up with NIMBY whimps, and career bureaucrat candidates with hidden egotistical agendas. I lost my business by Eminent Domain, I know who supported me and who sold me out.

I'm a real citizen candidate wanting better for children, veterans and seniors.

I'm mad as hell at traffic and government waste, and am not going to take it anymore.

Help a mechanic rebuild our broken city government.
