

**STEVEN E. BRUNETTE
CITY OF YORBA LINDA
MEMBER OF THE CITY COUNCIL**

I have lived in Yorba Linda for almost 20 years, raising a family of 3 children, and coaching over 50 soccer, softball and baseball teams. I helped slow and decrease cut-through traffic in West Yorba Linda while reducing accidents, participated in numerous Housing Development projects at City Hall, and commented upon a number of City Budgets, Projects, and the City's Master Plan revisions.

As a 4-year Parks & Recreation Commissioner, I helped design and build facilities at Tommy Lasorda Jr. Field House, East Side Community Park, Shappel Field, Yorba Linda Middle School, Brush Canyon, Black Gold Golf Course. Independently, I fought CalTrans over Imperial Highway (less lanes), and Shell/Western's Vista del Verde development (less dense, plus school/park enhancement) at City Hall.

My campaign commitment: Return to Low Density; Maintain Public Safety; "Respect Always" at Council & Commission Meetings; Develop new Sports Facilities; Enhance our Public and Private Schools Systems; Fix our Traffic problems; Maintain a conservative City Budget & build City Infrastructure.

My campaign has been honest -- with no hidden tricks, and no "special interests". I solicit your support, and shall be proud to represent Yorba Linda at all levels of Local, County and State government.
