

**DIANA LYNN HUDSON
CITY OF YORBA LINDA
MEMBER OF THE CITY COUNCIL**

Businesswoman, Racecar Driver

I am not a politician, no memberships in phony NIMBY advocacy groups.

As a 12 year resident, local businesswoman, professional racecar driver, and mother of 2, I will not tolerate Councils spending millions in litigation against its own school district, while refusing to enact safety measures on streets for children and seniors.

My children learned right from wrong in our home. These lessons need to be taught to city leaders.

Mismanaged, reckless growth ruins Yorba Linda neighborhoods.

Government needs to exit the real estate business. I stand for constitutionally guaranteed private property rights and free enterprise, not \$30,000.00 Blue Ribbon Committee idiocy.

Since 1998, I have stood as a leader in the opposition to our city's inappropriate eminent domain abuses in the ridiculous Town Center project.

I will ensure we have cost effective police, firefighters, paramedics, expanded youth and senior programs, sports fields and parks.

I will push for safer school drop-zones, improvements of overburden streets, and fight the railroad yard on our southern border.

Law allows Councils "Closed Session" deliberation. The public has the right to full disclosure. After hours of burning tax dollars, a flippant, "Nothing to Report", is unacceptable.

Thank you.
