

**WALTER S. BRUCKNER  
CITY OF YORBA LINDA  
MEMBER OF THE CITY COUNCIL**

Standing as a proud US Constitution protector, 25-year resident, local businessman, veteran, MBA Wharton graduate, Director of two homeowner associations, husband and father of two; I am dedicated to raising my children in a safe residential low-density community. I have consistently been a passionate advocate against this city's Old Town boondoggle and Eminent Domain abuses. Even though these abuses are not in my back yard, I will end this Blue Ribbon travesty.

I will demand fiscal accountability ensuring children, veterans and seniors get full value for dollars spent.

Yorba Linda's recent quality-of-life downturn can be directly attributed to the self-serving career bureaucrats who commandeered our City Council. Inappropriately, Council is controlled by those receiving multiple taxpayer-funded paychecks. Government needs to be run by citizens in public service, not self-service.

My education priority stops the embarrassment of a city government awash in litigation, spending millions in conflict with our children's schools and delaying the construction of a high school.

Let's end the nightmare of out-of-control traffic and the lunacy of a rail yard complete with hideous "Jurassic Park" sound walls.

Vote for Walter Bruckner.
